

Household Toxic Materials & Electronics Recycling Event

Volunteers Needed

Saturday, April 13th

During the last event, volunteers helped process 49,158 lbs of electronic waste from 813 vehicles! Help protect the environment by lending your hands during this Earth friendly drop-off event!

This event will be held at the
Waterloo Waste Water Treatment Plant
(3505 Easton Avenue, Waterloo)

To Volunteer:

Email Tammy Turner
tturner@co.black-hawk.ia.us
or call the Waste Trac
Education Team at
319-266-8722

Two
Shifts Available:

7:45 AM - 2:00 PM or
7:45 AM - 12:15 PM

- * Free donuts & lunch
- * Event will take place rain or shine!

Co-sponsored by:

WASTE TRAC
EDUCATION TEAM

Volunteers are needed to help unload electronics & household toxins from participants' vehicles, stack/shrink-wrap electronics, or survey.

Want to Volunteer?

- Volunteers must be at least 18 years old.
- Call or email the Waste Trac Education Team to register.
Volunteer registration deadline is **4:00 PM on Friday, April 5th!**
- Pick your shift. Volunteer for the entire event or the morning only.
- Want to lift tv's, monitors, etc. (or prefer a lighter task)?
- Review the list of items accepted for recycling and disposal at <https://wastetrac.org/spring-drop-off-event/>
- Have something on the list? Bring it along when you volunteer!

On the Day of the Event...

- Wear sturdy closed toe footwear (no sandals), old clothes, and jeans/rugged pants (no shorts).
- Bring appropriate gear (coat, hat, sunglasses, rain jacket).
A few volunteers will be stationed outdoors.
- Follow the event signs (from the corner of Hwy 218 and Mitchell Avenue) to the volunteer parking area at the back of the Waste Water Treatment Plant. **Check in by 7:45 AM.**
- You will need to sign a waiver, then pick up your safety vest, goggles, and gloves. Safety training will follow.
- Donuts, lunch, and beverages will be provided.

Old TVs and computer monitors with Cathode Ray Tubes (CRTs) each contain 6-8 pounds of toxic lead. This recycling event keeps e-waste & home chemicals out of the Black Hawk County Landfill!

Thank you volunteers!
