BLACK HAWK COUNTY  
SOLID WASTE MANAGEMENT COMMISSION

Date: June 29, 2026  
To: Customers of Black Hawk County Landfill  
From: John Foster, Administrator  
Subject: Black Hawk County Landfill July Closures

---

The purpose of this memo is to provide notification to Customers of the Black Hawk County Landfill that the Black Hawk County Landfill will have a late opening at 9:00 a.m. on July 1 for staff training.

In addition, the Landfill will be closed on July 4<sup>th</sup> for Independence Day and July 23<sup>rd</sup> as RAGBRAI will be traveling down E. Washburn Road. While this is an inconvenience for customers, we feel it is necessary to address safety concerns regarding heavy truck and bicycle traffic.
